

Blackboard®

Accessible content
is better content

Blackboard Ally supports diversity, equity, and inclusive education at GVSU by providing faculty with insight and guidance regarding the accessibility of their course content. Accessible content enables all students to be successful.

Ally is available to all faculty and students at GVSU!

For more information and assistance with Ally, visit gvsu.edu/elearn/help/ally

“Supporting faculty pursuing innovation in teaching and learning.”

Green is the Goal

Seeing these indicators in your Blackboard courses? Here's what you can do!

1: Click an indicator icon next to a file needing attention.

2: Review the steps Ally provides to improve the file.

3: Perform the steps, then save your file.

4: Reupload the file to Blackboard and voila!

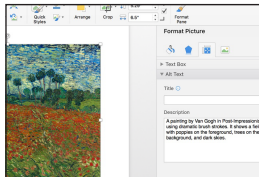

Needs Attention
